

THEODORE MARIOLIS – CURRICULUM VITAE

1. PERSONAL INFORMATION

Department of Public Administration

136, Syggrou ave, 176 71 Athens, Greece

PANTEION UNIVERSITY

Profession: Professor of Political Economy, School of Economy and Public Administration, Department of Public Administration, Panteion University of Social and Political Sciences, Athens, Greece (G.G. (Φ.Ε.Κ.) 264/τ.Γ/27–03–2015).

Office: Stasinopoulos Wing; 206.

E-mail: mariolis@panteion.gr; mariolis@hotmail.gr

Web pages:

2. STUDIES

(i). Ph. D. Student in Economics & Special Postgraduate Scholar, Department of Public Administration, Panteion University, Athens, Greece, 1990–1993; (ii). Graduate student in Mechanical Engineering, National Technical University, Athens, Greece, 1985–1990.

3. ACADEMIC CAREER

(i). Professor of Political Economy, Department of Public Administration, Panteion University, Athens, Greece, 2015–; (ii). Associate Professor of Political Economy, Department of Public Administration, Panteion University, Athens, Greece, 2009–2015; (iii). Assistant Professor of Political Economy, Department of Public Administration, Panteion University, Athens, Greece, 2001–2009; (iv). Visiting Professor of Economics, Department of International and European Economic Studies, Athens University of Economics and Business, Greece, 2002–2004; (v). Visiting Professor of Economics, Department of Public Administration, Panteion University, Athens, Greece, 1993–2001.

4. RESEARCH INTERESTS

(1). Sraffian, Marxian and Keynesian Economics; (2). International Economics; (3). Input–Output Analysis; (4). Theory of Endogenous Economic Fluctuations; (5). History of Economic Thought.

5. PUBLICATIONS

(i). BOOKS/MONOGRAPHS

1. *Spectral Theory of Value and Actual Economies. Controllability, Effective Demand, and Cycles* (with the collaboration of N. Rodousakis & G. Soklis). Singapore: Springer, 2021.
2. *Essays on the Work of Dimitris Batsis “The Heavy Industry in Greece”* (Ed.), Athens: Tziola Publications, 2018. (in Greek).
3. *Economic Policy for the Recovery of Greece* (with C. Lapavistas and the collaboration of C. Gavrielides. Foreword: Ernesto Screpanti), Athens: A. A. Livanis, 2018 (in Greek).
4. *A New Economic Policy Programme for Greece*, Athens: Korontzis, 2017 (in Greek).
5. *Eurozone Failure, German Policies, and a New Path for Greece. Policy Analysis and Proposals* (with C. Lapavistas, and the collaboration of C. Gavrielides), Berlin: Rosa-Luxemburg-Stiftung, 2017.
6. *Modern Classical Economics and Reality. A Spectral Analysis of the Theory of Value and Distribution* (with L. Tsoulfidis), Japan: Springer, 2016.

7. *Greece, European Union and Economic Crisis*, Athens: Matura, 2011 (in Greek).
8. *Essays on the Logical History of Political Economy*, Athens: Matura, 2010 (in Greek).
9. *Introduction to the Theory of Endogenous Economic Fluctuations. Linear and Non-Linear Economic Oscillators*, Athens: Typothito, 2006 (in Greek).
10. *Distribution, Development and Prices. Critical Perspectives* (Co-editor; with L. Tsoulfidis), New Delhi: Serials Publications, 2006.
11. *The EMU Epoch: Globalization, EMU, Drachma, Stock Exchange Market* (with G. Stamatis), Athens: Stachy, 2000 (in Greek).
12. *European Monetary Union and Neo-Liberal Policy* (with G. Stamatis), Athens: Ellinika Grammata, 1999 (in Greek).
13. *Quantitative Evaluation of the Effects of Devaluation on the Cost of Production. Based on the Input–Output Table of the Greek Economy, 1988* (with Ch. Economidis, G. Stamatis, N. Foustieris), Athens: Kritiki, 1997 (in Greek).

(ii). PAPERS 2008–2022

1. ‘Zero measure Sraffian economies: New insights from actual input–output tables’ (with P. Veltsistas), *Contributions to Political Economy*, 41(1), pp. 7–34, 2022.
2. ‘Demand multipliers and technical performance of a Southern Eurozone economy in hard times: Kalman–Leontief–Sraffa evidence from the Greek economy, 2010–2014’ (with D. Kesperi), *Evolutionary and Institutional Economics Review*, 19(1), pp. 47–75, 2022.
3. ‘Special feature on “The European Union Economy after the COVID-19 Pandemic Outbreak”: the fear of economy and the economy of fear’, *Evolutionary and Institutional Economics Review*, 19(1), pp. 425–428, 2022.
4. ‘Competing theories of value: A spectral analysis’, *Contributions to Political Economy*, 40(1), pp. 1–25, 2021.
5. ‘Inter-sectoral analysis of the Greek economy and the COVID-19 multiplier effects’ (with N. Rodousakis and G. Soklis), *European Politics and Society*, Special issue “Eurozone and economic crisis in Greece at 2020: Current challenges and prospects”, 23(4), 505–516, 2022.
6. ‘The COVID-19 multiplier effects of tourism on the Greek economy’ (with N. Rodousakis, G. Soklis), *Tourism Economics*, 27(8), pp. 1848–1855, 2021.
7. ‘The contribution of primary inputs to price formation: An input–output analysis of the Greek economy’, *Greek Economic Outlook*, 41, pp. 101–118, 2020.
8. ‘Dissecting the input–output structure of the Greek economy 2005–2010’ (with E. Leriou, G. Soklis), *Economia Internazionale/International Economics*, 72(4), pp. 453–474, 2019.
9. ‘Wage versus currency devaluation, price pass-through and income distribution: A comparative input–output analysis of the Greek and Italian economies’ (with N. Rodousakis, A. Katsinos), *Journal of Economic Structures*, 8:9, 2019.
10. ‘A non-linear Keynesian Goodwin-type endogenous model of the cycle: Bayesian evidence for the USA’ (with K. N. Konstantakis, P. G. Michaelides, E. G. Tsionas), *Studies in Nonlinear Dynamics & Econometrics*, 23(1), 2019.
11. ‘The tug-of-war between growth and debt in the Greek economy’ (with G. Soklis), in D. Chionis (Ed.) (2018), *Greek Debt: The Perpetuation of the Problem*, Athens: Livanis, (in Greek).
12. ‘The foreign-trade leakages in the Greek economy: Evidence from the supply and use table for the year 2010’, *East–West Journal of Economics and Business*, XXI (1–2), pp. 135–155, Special Issue: The Greek Economic Crisis, 2018.

13. 'The static demand multipliers in a joint production framework: Comparative findings for the Greek, Spanish and Eurozone economies' (with N. Ntemiroglou, G. Soklis), *Journal of Economic Structures*, 7:18, 2018.
14. 'Less is more: Capital theory and almost irregular-uncontrollable actual economies' (with L. Tsoulfidis), *Contributions to Political Economy*, 37(1), pp. 65–88, 2018.
15. 'The Sraffian autonomous demand-transfer payments curve for the Greek Economy' (with N. Ntemiroglou, G. Soklis), *Statistical Review*, 11–12, pp. 24–37, Special Issue in Honor of Professor Ioannis Vavouras, 2018 (in Greek).
16. 'Mean and "Third Man Argument" in the Aristotelian Theory of Exchange, *Statistical Review*, 11–12, pp. 142–160, Special Issue in Honor of Professor Ioannis Vavouras, 2018 Values' (in Greek).
17. 'Value, tertium comparationis and area', Appendix to the paper: Mariolis, T. (2018) 'Mean and "Third Man Argument" in the Aristotelian theory of exchange values', <https://www.researchgate.net/publication/324939802> (in Greek).
18. 'The static Sraffian multiplier for the Greek economy: Evidence from the supply and use table for the year 2010' (with G. Soklis), *Review of Keynesian Economics*, 6(1), pp. 114–147, 2018.
19. 'A Sraffian (no) trade-off between autonomous demand and transfer payments', *Metroeconomica*, 69(2), pp. 473–487, 2018.
20. 'Il fallimento dell'Eurozona e il ruolo delle politishe tedesche' (with C. Lapavitsas and C. Gavrielidis), *IL Ponte. Rivista di politica economia e cultura fondata da Piero Calamandrei*, Anno LXXIII nn. 5–6, pp. 105–133, Un'altra Europa, a cura di Ernesto Screpanti, 2017.
21. 'An intersectoral analysis of the Greek economy: Evidence from the symmetric input-output tables for the years 2005 and 2010' (with E. Leriou, G. Soklis), *Bulletin of Political Economy*, 10(2), pp. 137–159, 2016.
22. 'Capital theory 'paradoxes' and paradoxical results: Resolved or continued?' (with L. Tsoulfidis), *Evolutionary and Institutional Economics Review*, 13 (2), pp. 297–322, 2016.
23. 'Testing Bienenfeld's second-order approximation for the wage-profit curve', *Bulletin of Political Economy*, 9(2), pp. 161–170, 2015.
24. 'Norm bounds and a homographic approximation for the wage-profit curve', *Metroeconomica*, 66(2), pp. 263–283, 2015.
25. 'Input-output evidence on the relative price effects of total productivity shift' (with N. Rodousakis, A. Christodoulaki), *International Review of Applied Economics*, 29(2), pp. 150–163, 2015.
26. 'Measures of production price-labour value deviation and income distribution in actual economies: Theory and empirical evidence' (with L. Tsoulfidis), *Bulletin of Political Economy*, 8(1), pp. 77–96, 2014.
27. 'Modelling the devaluation of the Greek currency', *Business Perspectives*, 13(1), pp. 1–5, 2014.
28. 'An endogenous Goodwin-Keynes business cycle model for Germany (1991–2007)' (with K. Konstantakis, P. G. Michaelides), *Applied Economics Letters*, 27(1), pp. 481–486, 2014.
29. 'Falling rate of profit and mass of profits: A note', *Review of Political Economy*, 26(4), pp. 549–556, 2014.
30. 'On Bródy's conjecture: Theory, facts and figures from the US economy' (with L. Tsoulfidis), *Economic Systems Research*, 26(2), pp. 209–223, 2014.

31. 'Bienenfeld's approximation of production prices and eigenvalue distribution: Further evidence from five European economies' (with F. Iliadi, G. Soklis, L. Tsoulfidis), *Contributions to Political Economy*, 33(1), pp. 35–54, 2014.
32. 'Applying the mean absolute eigen-deviation of labour commanded prices from labour values to actual economies', *Applied Mathematical Sciences*, 7(104), pp. 5193–5204, 2013.
33. 'Goodwin's growth cycle model with the Bhaduri–Marglin accumulation function', *Evolutionary and Institutional Economics Review*, 10(1), pp. 131–144, 2013.
34. 'Currency devaluation, external finance and economic growth: A note on the Greek case', *Social Cohesion and Development*, 8(1), pp. 59–64, 2013.
35. 'Testing Böhm-Bawerk's theory of capital: Some evidence from the Finnish economy' (with G. Soklis and E. Zouvela), *The Review of Austrian Economics*, 26(2), pp. 207–220, 2013.
36. 'Estimation of the maximum attainable economic dependency ratio: Evidence from the symmetric input–output tables of four European economies' (with G. Soklis, H. Groza), *Journal of Economic Analysis*, 3(1), pp. 52–71, 2012.
37. 'Switch to devalued drachma and cost-push inflation: A simple input–output approach to the Greek case' (with A. Katsinos), *Modern Economy*, 3(2), pp. 164–170, 2012.
38. 'Eigenvalue distribution and the production price–profit rate relationship: Theory and empirical evidence' (with L. Tsoulfidis), *Evolutionary and Institutional Economics Review*, 8(1), pp. 87–122, 2011.
39. 'A simple measure of price–labour value deviation', *Metroeconomica*, 62(4), pp. 605–611, 2011.
40. 'On constructing numeraire-free measures of price–value deviation: A note on the Steedman–Tomkins distance' (with G. Soklis), *Cambridge Journal of Economics*, 35(3), pp. 613–618, 2011.
41. 'Total requirements for gross output and intersectoral linkages: A note on Dmitriev's contribution to the theory of profits' (with E. Rodousaki), *Contributions to Political Economy*, 30(1), pp. 67–75, 2011.
42. '“Twin deficits” and international competitiveness of the Greek economy' (with K. Papoulis), in: Greek Scientific Association of Political Economy (Ed.) (2011) *Economic Crisis and Greece*, pp. 275–289, Athens: Gutenberg (in Greek).
43. 'The maximum attainable economic dependency ratio in the Greek economy: The key variable for the social security system' (with G. Soklis, H. Groza), in A. Stergiou and T. Sakellariopoulos (Eds.) (2010) *The Reform of the Social Security System*, pp. 466–480, Athens: Dionicos (in Greek).
44. 'Public debt dynamics, economic policy and social cohesion in Greece: A note' (with K. Papoulis), *Social Cohesion and Development*, 5(1), pp. 27–40, 2010 (in Greek).
45. 'Measures of production price–labour value deviation and income distribution in actual economies: A note' (with L. Tsoulfidis), *Metroeconomica*, 61(4), pp. 701–710, 2010.
46. 'Additive labour values and prices of production: Evidence from the supply and use tables of the French, German and Greek economies' (with G. Soklis), *Economic Issues*, 15(2), pp. 87–107, 2010.
47. 'Norm bounds for a transformed price vector in Sraffian systems', *Applied Mathematical Sciences*, 4(12), pp. 551–574, 2010.

48. 'Globalization, international trade and economic policy', in P. Sioussouras and D. Chazakis (Eds.) (2009) *Greece, European Union and Globalization*, pp. 679–722, Athens: Poiotita (in Greek).
49. 'Decomposing the changes in production prices into 'capital-intensity' and 'price' effects: Theory and evidence from the Chinese economy' (with L. Tsoulfidis), *Contributions to Political Economy*, 28(1), pp. 1–22, 2009.
50. 'Pure joint production, income distribution, employment and the exchange rate', *Metroeconomica*, 59 (4), pp. 656–665, 2008.
51. 'Heterogeneous capital goods and the Harrod–Balassa–Samuelson effect', *Metroeconomica*, 59(2), pp. 238–248, 2008.

(iii). SELECTED PAPERS BEFORE 2008

1. 'Labour values, prices of production and the effects of income distribution: Evidence from the Greek economy' (with L. Tsoulfidis), *Economic Systems Research*, 19(4), pp. 425–437, 2007.
2. 'Distribution and growth in an economy with heterogeneous capital and excess capacity', *Asian–African Journal of Economics and Econometrics*, 7(1–2), pp. 365–375, 2007. Reprinted in Sarkar, S. (Ed.) (2007) *Global Economic Integration and Inequality*, New Delhi: Serials.
3. 'The rate of profit in the Greek economy. An input–output analysis' (with N. Rodousakis, L. Tsoulfidis), *Archives of Economic History*, 18(2), pp. 177–190, 2006.
4. 'A critical note on Marx's theory of profits', *Asian–African Journal of Economics and Econometrics*, 6(1), pp. 1–11, 2006.
5. 'A critique of the so-called 'New Approach' to the transformation problem and a proposal', *Indian Development Review*, 4(1), pp. 23–37, 2006. Reprinted in T. Mariolis & L. Tsoulfidis (Eds.) (2006) *Distribution, Development and Prices. Critical Perspectives*, New Delhi: Serials.
6. 'Distribution and growth in a multi-sector open economy with excess capacity', *Economia Internazionale*, 59(1), pp. 51–61, 2006.
7. 'Endogenous growth and ambiguous steady-state gains from free trade', *Indian Development Review*, 3(1), pp. 15–27, 2005.
8. 'A neo-Ricardian critique of the traditional static theory of trade, customs unions and common markets', in V. B. Jugale (Ed.) (2005) *World Trade Organisation and Indian Economic Reforms*, vol. 1, Delhi: Serials.
9. 'A Sraffian approach to the Stolper–Samuelson theorem', *Asian–African Journal of Economics and Econometrics*, 4(1), pp. 1–11, 2004.
10. 'Pure joint production and international trade: A note', *Cambridge Journal of Economics*, 28 (3), pp. 449–456, 2004.
11. 'Controllability, observability, regularity, and the so-called problem of transforming values into prices of production', *Asian–African Journal of Economics, and Econometrics*, 3(2), pp. 113–127, 2003.
12. 'On V. K. Dmitriev's contribution to the so-called "transformation problem" and to the profit theory', *Political Economy. Review of Political Economy and Social Sciences*, 9, pp. 45–60, 2001.
13. 'The division of labour in EMU: Absolute versus comparative advantage', *European Research Studies*, 3(1–2), pp. 79–90, 2000.
14. 'The so-called problem of transforming values into prices', *Political Economy. Review of Political Economy and Social Sciences*, 5, pp. 45–58, 1999.

15. ‘Theoretical investigation of the price response of a joint production system to currency devaluation’, in Papathanassiou, B. (Ed.) (1997) *Proceedings of the 4th Balcan Conference on Operational Research*, vol. 1, Thessaloniki.

(iv). WORKING PAPERS

1. ‘Post-Keynesian–Sraffian multiplier models’, Study Group on Sraffian Economics, Department of Public Administration, Panteion University, July 11, 2021.
2. ‘Celebrating 60 years of Rudolf E. Kálmán’s and Piero Sraffa’s theories: Real-world price systems are almost uncontrollable’ (with P. P. Veltsistas), MPRA Paper No 99648, 2020 (in Greek). <https://mpra.ub.uni-muenchen.de/96972/>.
3. ‘Some spectral properties of the matrix demand multiplier in a single production model for actual economies’, Study Group on Sraffian Economics, Department of Public Administration, Panteion University, January 31, 2020.
4. ‘The location of the value theories in the complex plane and the degree of regularity–controllability of actual economies’, Second version, November 27, 2019, <https://www.researchgate.net/publication/337565978>.
5. ‘The degree of controllability of actual economies’ (with P. Veltsistas), Study Group on Sraffian Economics, Department of Public Administration, Panteion University, November 21, 2019.
6. ‘The location of the value theories in the complex plane and the degree of regularity–controllability of actual economies’, MPRA Paper No. 96972, 2019.
7. ‘Piero Sraffa’s fundamental theorems and the Traditional Political Economy’ (in Greek), January 2019, <https://www.researchgate.net/publication/330397024>. Paper written for the preparation of the 1st Conference of the Study Group on Sraffian Economics: From the Capital Theory Controversy in the 1960’s to Greece’s Virtual Bankruptcy in 2010, Panteion University, 11–12 April, 2019.
8. ‘Wir müssen wissen – wir werden wissen: Piero Sraffa is here!’ (in Greek), December 2018, <https://www.researchgate.net/publication/330025513>. Paper written for the preparation of the 1st Conference of the Study Group on Sraffian Economics: From the Capital Theory Controversy in the 1960’s to Greece’s Virtual Bankruptcy in 2010, Panteion University, 11–12 April, 2019.
9. ‘Piero Sraffa’s book and its relation to Ludwig Wittgenstein’s late work: A small student map’ (in Greek), April 2019, <https://www.researchgate.net/publication/332278168>. Paper written for the preparation of the 1st Conference of the Study Group on Sraffian Economics: From the Capital Theory Controversy in the 1960’s to Greece’s Virtual Bankruptcy in 2010, Panteion University, 11–12 April, 2019.
10. ‘A non-linear Keynesian Goodwin-type endogenous model of the cycle: Bayesian evidence for the USA’ (with K. N. Konstantakis, P. G. Michaelides, E. G. Tsionas), LSE Research Online Documents on Economics 100229, London School of Economics and Political Science, LSE Library, 2019.
11. ‘A non-linear post-Keynesian Goodwin-type endogenous model of the cycle for the USA’ (with K. N. Konstantakis, P. G. Michaelides), MPRA Paper No. 90036, 2018.
12. ‘Dissecting the input–output structure of the Greek economy’ (with E. Leriou, G. Soklis), MPRA Paper No. 87578, 2018.
13. ‘Less is more: Capital theory and almost irregular–uncontrollable actual economies’ (with L. Tsoulfidis), MPRA Paper No. 84214, 2017.
14. ‘Capital theory: Less is more’ (with L. Tsoulfidis), MPRA Paper No. 75923, 2016.

15. 'The dynamic industries of the Greek economy' (with T. Moutos, G. Soklis), Mimeo.
16. 'A Sraffian (no) trade-off between autonomous demand and transfer payments', Study Group on Sraffian Economics, Department of Public Administration, Panteion University, December 2016.
17. 'Testing Bienenfeld's second-order approximation for the wage-profit curve', MPRA Paper No. 68215, 2015.
18. 'Capital theory 'paradoxes' and paradoxical results: resolved or continued?' (with L. Tsoulfidis), MPRA Paper No. 68214, 2015.
19. 'The Sraffian multiplier of the Greek economy: Evidence from the Supply and Use Table of the year 2010' (with G. Soklis), *Centre of Planning and Economic Research*, Discussion Paper No. 142, Athens, June 2015.
20. 'An endogenous Goodwin–Keynes business cycle model: Evidence for Germany (1991-2007)' (with K. N. Konstantakis, P. G. Michaelides), MPRA Paper 90035, 2014.
21. 'The Sraffian multiplier of the Greek economy: Evidence from the Supply and Use Table of the year 2010' (with G. Soklis), MPRA Paper No. 60253, 2014.
22. 'Marx's theory of economic crises' (in Greek), MPRA Paper, No. 56831, 2014.
23. 'On Bródy's conjecture: theory, facts and figures from the US economy' (with L. Tsoulfidis), 2013.
24. 'Norm bounds and a homographic approximation for the wage-profit frontier', Study Group on Sraffian Economics, Department of Public Administration, Panteion University, 2013.
25. 'Falling rate of profit and mass of profits: a note', Study Group on Sraffian Economics, Department of Public Administration, Panteion University, 2011.
26. 'Goodwin's growth cycle model with the Bhaduri–Marglin accumulation function', MPRA Paper No. 40738.
27. 'On Bródy's conjecture: facts and figures from the US economy' (with L. Tsoulfidis), Department of Economics, University of Macedonia, Discussion Paper Series, Discussion Paper No. 06/2012, ISSN 1791–344.
28. 'Bienenfeld's approximation of production prices and eigenvalue distribution: some more evidence from five European economies' (with F. Iliadi, G. Soklis and L. Tsoulfidis), MPRA Paper No. 36282.
29. 'Return to devalued drachma, cost-push inflation and international competitiveness' (with A. Katsinos), Study Group on Sraffian Economics, Department of Public Administration, Panteion University, 2011, MPRA Paper No. 35413.
30. 'Testing the traditional Austrian theory of capital: some evidence from the Finnish economy' (with G. Soklis and E. Zouvela), Study Group on Sraffian Economics, Department of Public Administration, Panteion University, 2011.
31. 'A simple measure of price–labour value deviation in actual single-product economies: theory and empirical evidence', Study Group on Sraffian Economics, Department of Public Administration, Panteion University, 2011.
32. 'Eigenvalue distribution and the production price–profit rate relationship in linear single-product systems: theory and empirical evidence' (with L. Tsoulfidis), Department of Economics, University of Macedonia, Discussion Paper Series, Discussion Paper No. 16/2010, ISSN 1791–344.
33. 'Debt dynamics, 'twin deficits' and international competitiveness of the Greek economy' (with K. Papoulis; in Greek), Study Group on Sraffian Economics,

- Department of Public Administration, Panteion University, 2010, MPRA Paper No. 23173.
34. 'Critical exposition of the Marxian 'law of the failing rate of profit': income distribution, capital accumulation and technological change in the long-run' (in Greek), Study Group on Sraffian Economics, Department of Public Administration, Panteion University, 2010, MPRA Paper No. 22461.
 35. 'Measures of production price–labour value deviation and income distribution in actual economies: Theory and empirical evidence' (with L. Tsoulfidis), Department of Economics, University of Macedonia, Discussion Paper Series, Discussion Paper No. 02/2010, ISSN 1791–3144.
 36. 'Additive labour values and prices of production: evidence from the supply and use tables of the German and Greek Economy' (with G. Soklis), Working Papers in Input–Output Economics, WPIOX 09–002, International Input–Output Association, 2009.

(v). OTHER PAPERS

Total Number: > 120.

6. SCIENTIFIC PROJECTS

- (i). 'The Spectral Theory of Value' [1 October 2021–30 September 2026].
<https://www.researchgate.net/project/The-Spectral-Theory-of-Value>
- (ii). 'Capital Theory and Actual Economies: Value, Effective Demand, and Distributive Cycles from a Sraffian Standpoint'. [Archived project]
https://www.researchgate.net/profile/Theodore_Mariolis/projects
- (iii). 'Greek and European Economies'. [Archived project]
https://www.researchgate.net/profile/Theodore_Mariolis/projects
- (iv). 'Greek Tourism Sector'. [Archived project]
https://www.researchgate.net/profile/Theodore_Mariolis/projects

7. TEACHING

(i). UNDERGRADUATE

- (1). History of Economic Theories
- (2). The Structure of the Greek Economy
- (3). International Economics I
- (4). Issues of Law and Economy
- (5). International Economics II

(ii). POSTGRADUATE

- (1). Macroeconomic Theory II

8. RESEARCH/SUPERVISION

(i). SUPERVISOR OF PH.D. THESES

- (1). Rodousakis, N. (2012) *Endogenous Fluctuations in One-Sector and Multi-Sector Models à la Goodwin*, Department of Public Administration, Panteion University, Athens, Greece, November 2012.
- (2). Soklis, G. (2012) *Labour Values, Commodity Values, Prices and Income Distribution in Actual Economies*, Department of Public Administration, Panteion University, Athens, Greece, June 2012.
- (3). Ntemiroglou, N. (2022) *The Sraffian Multiplier: Theoretical and Empirical Investigation*, Athens, Greece, January 2022.
- (4). Tsirimokos, C. (2022) *Embodied Energy, Pollution Emissions, Growth and International Trade: Theoretical Insights and Policy Implications*, Department of Public Administration, Panteion University, Athens, Greece, January 2022.

(ii). SUPERVISOR OF POST-DOC RESEARCHERS

(1). Rodousakis, N. (2014–2017) *Theory of Endogenous Economic Fluctuations*, Department of Public Administration, Panteion University, Athens, Greece.
